SHINE Body&Hair Shampoo | SHINE Soap.

Let it shine.

Two new products from CWS for the top-of-the-range segment. SHINE Body&Hair Shampoo and SHINE Soap are ideal for high quality hotel rooms and wellness or sauna areas.

The elegant visual appearance of the dispenser and its mounting in high quality chrome-look fit effortlessly into any ambiance. Alternatively, the mounting is also available in white.

The high quality mixture of ingredients in both products ensures your guests will feel well cared for. SHINE has, of course, been dermatologically tested and is pH-neutral on the skin.

Personal advice and expert installation as well as regular deliveries of SHINE Body&Hair Shampoo and SHINE Soap consumable materials are part of the tried-and-tested CWS full service. CWS offers more.
